Shaping Questions

NexGen June 2015 &
GIF May 2015
Application form

At Emzingo, we are eager to **learn about your needs**. The following questions were designed so that we can get a better **understanding of your organization** and what your **present needs are**. Please answer the questions to the best of your ability. There is a **350-word limit** for each question.

1. For new partners only, what is your organization's mission and how do you accomplish this?

2. What is your biggest present challenge that you could use our fellows assistance with?

3. Please describe the objectives of this project - 3-4 bullet points detailing what you think the Fellows will achieve.

4. Workstreams – What do you think are the main activities the fellows will need to do in order to carry out this project? (e.g. What actions will be needed to achieve the objectives?)

5. What are the specific outputs (deliverables, documents, tools) that you would need to receive from this engagement?

6. With whom would the fellows be directly working with in for the duration of this proposed project? Do you have a room/desk and Internet access on site that the fellows could use?

7. Emzingo has 2 programs on offer, the [Global Impact Fellowship](#) for high achieving undergraduate students and the [NexGen Fellowship](#), our usual MBA profile candidates. Please indicate below for which program you think this project is best suited for and why:

8. Please write any additional comments you may have here:
